

**Riviera International Academy**

**Assignment-2077**

**(Ashad 01, 2077, Monday)**

**Class: Seven**

**Subject- Social Studies**

**Lesson –Communication**

**A. Read the following text and answer the following questions:**

**Postal Service**

Postal Service is the oldest communication and information service in Nepal. It was established in 1934 BS, but it started to function for the common people from 1938 BS only. The postal service is a manual-based communication system in which letters and parcels are sent from one place to another. Besides, the postal service also performs various other activities such as money order, publication of postage tickets, etc.

1. When was Postal Service established?
2. Write down a short note on 'Postal Service'.
3. Google some Nepali postage stamps and you can draw some too.
4. Do you think postal service is going to an important mean of communication after five years too? Give reasons.

**Subject- Science**

- Differentiate between homogeneous mixture and heterogeneous mixture
- Write and learn element from hydrogen to calcium with its symbol and atomic number.

**Subject- English**

**1. Develop a readable story from the following clues:**

A hungry tiger-----no prey----goes into fox's cave-----waits till evening-----the fox comes-----smells danger-----calls out-----'Dear cave, good morning!-----no reply-----the fox again says, "why don't you return my greeting?"-----The tiger roars loudly in reply-----the fox runs away-----moral.

**2. Supply proper" question tag" for the following:**

- a) Everybody was there, \_\_\_\_\_?(wasn't they/weren't they/ weren't there)
- b) Let's go out, \_\_\_\_\_?(will you/shall we/isn't it)
- c) I am never with you, \_\_\_\_\_?(aren't I/am I/don't I)
- d) Let us go, \_\_\_\_\_?(will you/shall we/do we)
- e) Nobody helped the old, \_\_\_\_\_?(did he/didn't they /did they)

**The End.**
