Assignment-2077

(Ashad 09, 2077, Tuesday)

Class: Seven

Subject- English

1. Read the following and do the exercise.

Read the two sentences given below.

Ada was a *loyal, hard-working, sympathetic* and *level-headed* young woman.

Ada proved to be far more *brave, original* and *tenacious* than any of the others in the group.

When we use more than one adjective in a sentence, we have to place them in the right order.

	Opinion	Size	Age	Shape	Colour	Origin	Material	Purpose	
a	silly		young			English			boy
a		big		round			metal		tray
a		small			red			sleeping	bag

1. In the sentences given below, check whether the adjectives have been placed in the correct order. Rewrite the sentences and place the adjectives in the correct order where required. Refer to the table given above.

a. Caesar is my tall, trustworthy, two-year-old, athletic Doberman.

b. Where the road curves, you'll see a green, gloomy, brick, old house.

c. She has written a detective, 560-page, heavily-researched, boring novel.

d. The triangular, blue-walled, large, meeting room was designed by my brother.

2. Supply correct question tag to the following sentences:

- You're tired, _____?
- Let me do it for you, _____?
- Nothing is good there, _____?
- She had a baby, _____?
- We'll tell the truth, _____?
- Roshan's gone to school, _____?
- No one is present, _____?
- She hardly drinks _____?
