## Assignment-2077

(Ashad 10, 2077, Wednesday)

Class: Five

Subject- English

### Grammar

#### Revision: nouns

Remember: *Nouns* are words that we use to refer to people, animals, things, places, qualities, feelings, events, organizations or concepts.

#### 1. Match the kind of noun to its definition.

common nouns	nouns that name abstract ideas, emotions, mental states, etc.
proper nouns	nouns that we can experience with our five senses
countable nouns	names we use for any person, place, idea or thing of a kind; begin with a small letter
uncountable nouns	names we use for a particular person, place, idea or thing; begin with a capital letter
abstract nouns	nouns that can be counted
concrete nouns	nouns that cannot be counted

#### 2. Write two examples for each of the following.

- a. proper nouns: .....
- b. common nouns: .....
- c. countable nouns: .....
- d. uncountable nouns: .....
