Subject- English

FIND information about Mark Twain's Adventures of Tom Swayer from Google and study it.

Subject- Life skills

Lesson –Our Festivals

A. Study the following text and answer the following questions:

Two Cats And A Monkey

After a feast, two cats see a piece of cake and start fighting for it. A monkey sees this as an opportunity for gain and offers to help them. The monkey divides the cake into two parts but shakes its head saying they are unequal. He takes a bite of one piece and then the other, but still finds them unequal. He continues doing so until there is no more cake left, leaving the poor little cats disappointed.

1. What moral did you learn from the story?
2. If you were in cat's place, what do you do?
3. Have you ever been in a similar situation? What step did you take?

Subject: HPE

- What is balanced diet?
- Define nutrients. Which nutrient is known as bodybuilding food?
- Write the benefits of exercise.
- Write short note on communicable diseases.

The End.
