.....

.....

Which part of the CPU perform all the calculations.

.....

What is storage unit?

.....

Subject- Extra Reading

Be preparing with given story and be ready explaining.

Thirsty Crow

Copyright © Isamaj.com

There was a crow which was very thirsty. He searched for water every where. At last he saw a water pot near a well.

He looked inside the pot. There was very little water in the pot. The crow saw some stones nearby. He thought of a plan. He picked up some stones.

He put them one by one into the pot. The water level in the pot came up. The crow drank the water and flew away happily.
