Assignment-2077

(Ashad 26, 2077, Friday)

Class: Five Date:- \_\_\_\_\_ Name:- \_\_\_\_\_

Subject- Mathematics

Do it in your copy.

**Let's learn the trick then subtract quickly.**

$$27 - 14 = (27 - 10) - 4 = 13 \qquad 46 - 24 = (46 - 20) - 4 = 22$$

$$a) 24 - 11 = (24 - 10) - \underline{\quad} = \underline{\quad} \qquad b) 28 - 13 = (28 - 10) - \underline{\quad} = \underline{\quad}$$

$$c) 36 - 15 = (36 - \underline{\quad}) - 5 = \underline{\quad} \qquad d) 39 - 21 = (39 - \underline{\quad}) - 1 = \underline{\quad}$$

$$e) 55 - 23 = (50 - \underline{\quad}) - 3 = \underline{\quad} \qquad f) 67 - 35 = (\underline{\quad} - \underline{\quad}) - \underline{\quad} = \underline{\quad}$$

$$g) 74 - 42 = (\underline{\quad} - \underline{\quad}) - \underline{\quad} = \underline{\quad} \qquad h) 90 - 51 = (\underline{\quad} - \underline{\quad}) - \underline{\quad} = \underline{\quad}$$

**Let's tell and write the answer as quickly as possible.**

$$a) 5 + 8 = \underline{\quad} \quad \text{Then } 13 - 5 = \underline{\quad} \quad \text{and } 13 - 8 = \underline{\quad}$$

$$b) 7 + 9 = \underline{\quad} \quad \text{Then } 16 - \underline{\quad} = 9 \quad \text{and } \underline{\quad} - 9 = 7$$

$$c) 12 + 6 = \underline{\quad} \quad \text{Then } \underline{\quad} - 12 = 6 \quad \text{and } 18 - \underline{\quad} = 12$$

$$d) 20 + 30 = \underline{\quad} \quad \text{Then } 50 - \underline{\quad} = 20 \quad \text{and } 50 - \underline{\quad} = 30$$

$$e) 25 + 15 = \underline{\quad} \quad \text{Then } \underline{\quad} - 25 = 15 \quad \text{and } \underline{\quad} - 15 = 25$$

विषय - नेपाली

Subject- Social Studies

**1. Out which of the following is good behaviour and which is bad behaviour. Point**

- a. Taking the pen of your friend in a stealthy manner
- b. Helping friends in the times of need.
- c. Hating a friend who is weak in studies.
- d. Loving brother and sister younger to you.

**2. Make a list of festivals celebrated in your community and write a paragraph about your favourite festival.**

## Subject- Computer

### Fill in the blank.

- a. A ..... device is used to input data and instructions to a computer.
- b. The ..... keys are marked with alphabets from A to Z.
- c. A ..... is an input device which is used for playing game in computer.
- d. The ..... device can display or present data or information either in visual or audio form.
- e. The output on the ..... is permanent and can retain for a long time.
- f. Dot Matrix printer is an example of ..... Printer.
- g. A ..... is an output device that can display output on the big screen.
- h. The ..... programs in the ROM are necessary for booting the computer.
- i. .... storage device stores data permanently for a long time.
- j. A terabyte is equal to ..... GB.

The End.
