Assignment-2077

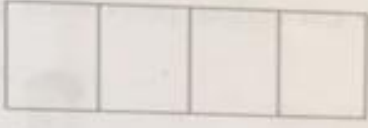

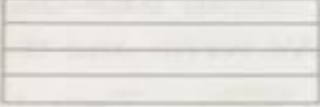

(Ashwin 12, 2077, Monday)

Class: Two

Subject- Mathematics

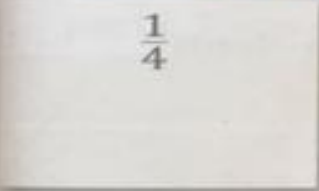

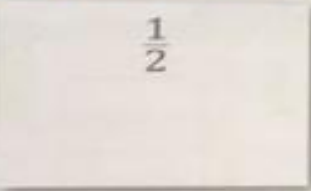

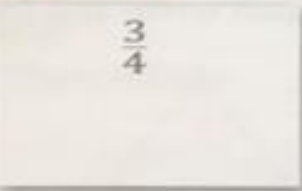

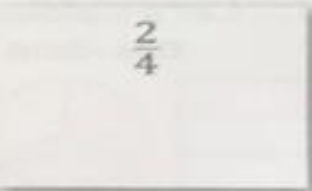

Fraction - Part of a Whole

3. Let's shade the parts to show the given fractions. Also write the names of the fractions in words.

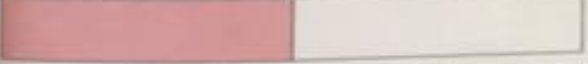

$\frac{1}{2}$ 	$\frac{2}{4}$ 	$\frac{1}{4}$ 	$\frac{3}{4}$ 
--	--	---	--

Three-fourths

4. It's your time! Let's draw diagrams and divide into parts and shade the parts to show the fractions.

$\frac{1}{4}$ 	$\frac{1}{2}$ 	$\frac{3}{4}$ 	$\frac{2}{4}$ 
---	---	--	---

The same rectangle is divided into different parts. Let's write the fractions and name of fractions shown by the shaded parts. Then compare the fractions.

	$\frac{3}{4}$ Three-fourths
	_____
	_____
	_____

a) Which is the biggest fraction? _____

b) Which is the smallest fraction? _____

c) Which two are the equal fractions? _____

Subject- Social Studies

1. List the names of 6 public properties.
2. Do you protect the public property?
