Let's Practise

1. Underline the four types of nouns in the following passage. Write them under the correct columns in the table given on the next page.

Raj brought a stray puppy home. When the puppy was washed and powdered, Raj cuddled his lovable pet. The puppy's body was smooth and warm. Raj's friends were amazed at its neat half-circle tail. Soon Raj found out that the puppy loved to chew bones. The other thing that the puppy loved was to chase groups of people, flocks of birds and even mounds of leaves. When Raj saved the puppy from drowning in the stream, his friends admired his bravery.
