## Assignment-2077

Day 8 (Baisakh 15, 2077, Monday)

Class: Six Date:- \_\_\_\_\_ Name:- \_\_\_\_\_

### Subject: English

**Read out the following text first and then do the following activities.**

Who is Dr. Seuss?

While many children and adults have enjoyed books by Dr. Seuss, very few actually know anything about Dr. Seuss himself. Dr. Seuss was born in 1904 and was given the name Theodor Seuss Geisel. He grew up in Springfield, Massachusetts and left town as a young man to attend Dartmouth College in New Hampshire. In college, he wrote for the school newspaper. Geisel created the name Dr. Seuss, a penname he would continue to write under for the rest of his life. Seuss first entered college with the idea that he would become a professor, but a classmate who saw him sketching thought he should become an artist. He soon pursued his passion for drawing. After college, he got a job working as a cartoonist for a newspaper. However, once the United States became involved in World War II, Seuss wanted to use his talent to help in the war effort. He worked for the Army making different types of war movies and animated films that were used to train soldiers. Publishers who saw his work during the war wanted Seuss to illustrate a children's book. The war experience, along with his experience as a journalist, led to his desire to write and illustrate his own children books.

Dr. Seuss had a slow and difficult start as an author. His first book almost did not get published. However, after many months of being turned down his persistence paid off. Seuss soon signed with a new publisher. This small success was enough to keep Dr. Seuss writing and illustrating. While writing, he often put on silly hats to help to reduce the stress of finishing a story. Shortly after his first work was published, Dr. Seuss wrote and published *The Cat in the Hat*, the book that made him famous. For years afterwards, Dr. Seuss continued to write and illustrate many books in his own unique style, which was very different than other authors. He won many awards for his books throughout his writing career, and many were adapted for television and movies. The name, Dr. Seuss, became very popular in children's literature. Though Theodor Seuss Geisel, also known as Dr. Seuss, passed away at the age of 87 in 1991, his books and illustrations continue to live on.

### **A. Choose the best answer.**

#### **1. When did Theodor Seuss Geisel decide to become an artist?**

- When he was fighting in World War II.
- When he was at home in Springfield.
- When he was a student at Dartmouth College.
- After his first book was published.

#### **2. What does the word unique mean in this passage?**

- Fun

### **Subject - Social Studies**

1. Draw the flags of SAARC countries, color them and the name of the countries too.

### **Computer**

- 1) List any two tasks of system software.
- 2) What is application software? List any two application software.
- 3) What is operating system software? List any four operating system software.

### **Subject – Science**

1. What is lifecycle?
2. Write name of any three insects which have four stages in their lifecycle.
3. Briefly explain the lifecycle of a butterfly.

### **Subject – Mathematics**

1. Find out the perimeter of a square with the following length.
 

a. Length = 3 cm	b. L = 5 cm
c. Length = 8 cm	d. L = 12 cm
e. Length = $5\frac{1}{2}$ cm	f. L = 7.5 cm
2. What will be the perimeter of a field which is 55 m in length and 40 m in breadth?
3. If a rectangular *chautari* is 12 m in length, 6 m in breadth, what will be its perimeter?
4. A square- shaped field is 30m in length. If you put a wall around it, how long will the wall be?

### **बिषय : नेपाली**

१. नेपाली व्याकरण किताब (कक्षा ५) लाई आधार बनाएर सर्वनामका उदाहरणहरूको सूची बनाउनुहोस् ।
२. मेरो विद्यालय शिर्षकमा एउटा निबन्ध लेख्नुहोस् ।

**The End.**
