Assignment-2077

(Bhadra 10, 2077, Wednesday)

Class: Seven

Subject-Social Studies

Topic - Home Routine

Prepare a home routine including the time for wake up, sleep, class, assignment time, physical exercise/game, reading, and screen use (mobile/laptop/TV). You can include other activities too. Make your parents read it and sign on the paper. The signature of the parent implies the fact that they have read it and you are following the routine at home. You can paste it on a chart or the wall next to your study table. (Note: We will have a regular follow-up regarding the routine.)

Go through the following links before you create your home routine:
