Assignment-2077

(Jestha 04, 2077, Sunday)

Class: Two

Subject – Social Studies

Protection of Public Property

Tap, well, inn, schools, ground, pond, road, etc. are our public properties. We should keep those places clean. We should take care of them. Public *chautara* is our common property. People take rest here.

A bus makes us easier to go and come from places. Trucks carry heavy loads easily. They are vehicles. They are means of transport. We should take care of them. Telephone makes us easier to talk to people from far and near. It saves our money and time. We should take care of it. If we see someone cutting off the wire, we should report to the police. Temples, monasteries, in, tap and wells are public properties. We should conserve them.

Answer the following questions.

1. **Write the name of any four public places.**

2. **Fill in the blanks:**

- We should keep public places like taps, well and other water resources_____.
- People take rest in public _____.
- A bus makes us _____ to go and come from places.
- Temple is also a _____property.
- _____ makes us easier to talk to people from far and near.
