Boy Stops Runaway Bus

Lakeside, Florida - Kenny Perrone is a hero at his school. On Friday, April 8, the sixth-grade boy brought a runaway bus to a safe stop. He saved 33 of his classmates from getting hurt.

Kenny was riding to school on a school bus. The bus driver, Donald Snyder, fainted at the wheel. The bus began to swerve. It started going faster and faster.

Kenny rushed to the driver's side. He pushed the brake pedal to slow down the bus. Then he turned the steering wheel and brought the bus to a safe stop in the school driveway.

Donald Snyder had been sick. He had to take medicine. His doctor thinks the medicine caused him to faint.
