Assignment-2077

(Jestha 08, 2077, Thursday)

Class: Five

Subject -English

1) Complete the letter :

Damauli, Tanahun
27 June 2019

Dear Smriti

How are you? I..... (am/is/are)
fine here. I hope you
(be/is/are) also fine there. I am.....
(write/writes/writing) some words
about my weakness. I hope you will
forgive me, won't you?

I'm really.....
(sorry/happy/glad) for being late
to..... (give/gives/given) your
bicycle back. I promise that I.....
(give/gives/will give) you it next
week. Will you excuse.....
(my/me/mine) ? I do hope that
you'll..... (do/does/did). My
younger brother.....
(have/has/having) been suffering
from pneumonia for a week. I have
to take care of him. Therefore, I've
.....(be/been/being) unable to
give your bicycle back on time.

What's about your elder sister? I've
heard she..... (be/is/am) in
Canada nowadays, isn't she?
..... (Are/Is/Was) you willing
to go to meet her? Please
(tell/tells/told) me if you go.

I'm looking forward to
(meet/meets/meeting) you very
soon.

Yours
Jasmine

Subject - Mathematics

1. Simplify.

- $a + 3a$
- $3m + 4m$
