Subject – Social Studies

Our National Symbols

This is our national flag. This is of triangular shape. There is a symbol of them in the upper triangle. The symbol of sun is in the lower triangle.

The cow is our national animal. It gives us milk. The manure composed of its dung is useful for fields. Fresh cow dung paste keeps the house free from germs.

Danfē (Lophophorus) is the national bird of our country. The bird is found in the Himalayan region. It is of multiple colours.

Laligurans (Rhododendron) is the national flower of our country. It is found in the high hills. It is red in colour.

Crimson (*Simrik*) is dark red in colour. It is our national colour. It is used for worshipping God.

1. Answer the following questions on the basis of the lesson.

- i. Where is Rhododendron found?
- ii. What colour is crimson?
- iii. What is our national bird?
- iv. Where is Lophophorus found?

2. Match the following.

- | | |
|--------------------|--------------|
| a. National bird | Rhododendron |
| b. National animal | Crimson |
| c. National colour | Lophophorus |
| d. National flower | Cow |

3. Write any four sentences about cow.

Example: The cow has four legs.

Subject- Science

Draw a picture of a rainbow and also write the name of the colours.

The End.
