1) Read the letter and answer the following:

Tansen
Palpa
28 June 2019

Dear Martina

I wish you congratulations on your great achievement. You are very lucky, aren't you! As I've heard you have got a full scholarship to study MBBS in your own native town. How fortunate you are! You can brighten do something important for the nation, can't you? I do believe you will definitely be a good and great person in the days to come. May God always bless you!

It's my great pleasure to get an opportunity to congratulate you on this happy occasion. I've realized that your dedication to your hard study has led you to this success. My hearty congratulations may encourage you to make further progress sharper and faster. Once again Congratulations!

I've heard your parents have made a plan to visit Lumbini, Butwal, Palap and Gulmi. You will be with them in the visit. When you Palap, I am willing to welcome you at Tansen.

I am looking forward to seeing you at Tansen as soon as possible.

Regards
Ranjana Tamang

Now answer these questions according to the letter.

1. When was the letter written?
2. Where does the sender live?
3. Who is the sender? And who is the receiver?
4. Who has a got a scholarship?
5. Where is the receiver going with her parents?

The End.
