## The Swing

*Robert Louis Stevenson*

How do you like to go up in a swing,  
Up in the air so blue?  
Oh, I do think it the pleasantest thing  
Ever a child can do!

Up in the air and over the wall,  
Till I can see so wide,  
River and trees and cattle and all  
Over the countryside—

Till I look down on the garden green,  
Down on the roof so brown—  
Up in the air I go flying again,  
Up in the air and down!
