Assignment-2077

(Shrawan 18, 2077, Sunday)

Class: Seven

Subject- Social Studies

Project Guidelines (Nepali Folk Culture):

Introduction:

We studied about the folk culture of Nepal recently. We discussed and watched several videos on folk culture (instruments, music, and dance forms) in our society. In this project, you are delving deep into one of the topics from our folk culture that you would like to share about. You can interview any folk singer (try to find out someone on the internet and, talk to him via online and ask him/her about different aspects of it, you can sing a folk song using some instrument and describe about it, you can make a model of some musical instrument and explain about it (or you could make a DIY video of making the model of the musical instrument), create a presentation, perform some folk dance, and so.

There is the National Folk Musical Instruments Museum in Tripureshwor (Number: 01-4242741). You could call them and ask if they know someone that you could interview.

Steps:

1. Share about what you are going to do and we will discuss if it's feasible or not.
2. Work on the topic. Research a lot! Read about it. Watch some videos. Ask your parents and educate yourself!
3. Work on the first draft of the project and share it with me (and the class too, that is, if you want).
4. I will give you some suggestions on the first draft which will motivate you to work on it and make your final project a success.

Deadlines:

1. Choosing the topic: **Shrawan 12**
2. Discussion on the topic/Finalization of the topic: **Shrawan 13/14**
3. Sharing of the first draft of the project: **Shrawan 16**
4. Sharing of the final project: **Shrawan 20**

Unseen comprehension

Read the following poem and answer the questions that follow.

(10 marks)

My New Year's Resolutions

I will not throw the cat out the window
Or put a frog in my sister's bed
I will not tie my brother's shoelaces together
Nor jump from the roof of Dad's shed.

I shall remember my aunt's next birthday
And tidy my room once a week
I'll not moan at Mum's cooking
(Ugh! fish fingers again!)
Nor give her any more of my cheek.

I will not pick my nose if I can help it
I shall fold up my clothes, comb my hair,
I will say please and thank you
(even when I don't mean it)
And never spit or shout or even swear.

I shall write each day in my diary
Try my hardest to be helpful at school
I shall help old ladies cross roads (even if they don't want to)
And when others are rude I'll stay cool.

I'll go to bed with the owls and be up with the larks
And close every door behind me
I shall squeeze from the bottom of every toothpaste tube
And stay where trouble can't find me.

I shall start again, turn over a new leaf,
leave my bad old ways forever
shall I start them this year, or next year
shall I sometime, or . . . ?

Subject- Mathematics

- a) A $(-3, -1)$, B $(-1, -1)$, C $(1, 1)$ are the vertices of a parallelogram ABCD and D is the opposite vertex of B. Plot these vertices in graph paper and find
- the coordinates of the vertex D.
 - the coordinates of the point of intersection of the diagonals AC and BD.
- b) P $(-3, -5)$, Q $(2, -5)$, R $(2, 2)$ are the vertices of a rectangle PQRS and S is the vertex opposite to Q. Plot these vertices in graph paper and find
- the coordinates of the vertex S
 - the area of the rectangle PQRS.

Subject- Science

- Draw a neat and labelled diagram of distillation.

The End.
