The World Cup

Football is the most popular game in the world. The most important football competition is the World Cup. The World Cup is held every four years. In 2002 it was held in Asia for the first time. It was held in the two Asian countries- South Korea and Japan.

In 1994 football was a part of the Olympic Games. But because football was so popular, a new competition had to be held. The very first World Cup was held in Uruguay in 1930. There were just thirteen teams and sixteen matches. An average of 24,000 fans watched each match. The World Cup was held in the USA in 1994. About 1.5 billion people around the world watched the final match on television.

Winning the World Cup is the highest achievement in football. But in the history of the World Cup, a few teams have won more often than others. The first World Cup was won by Uruguay, and they won again in 1950. Argentina won twice, in 1978 and 1986. West Germany won in 1954, 1974 and 1990. Italy won in 1934, 1938, 1982 and 2006. Spain won it in 2010. But the greatest World Cup team is Brazil. Brazil has won five times! They won it in 1958, 1962, 1970, 1994 and 2002.

(<https://kathmandupost.com/valley/2016/12/19/police-bust-human-trafficking-racket>)

Police busted a foreign employment racket that had been trafficking Nepali women to various labour destinations in the Middle East where they were exposed to physical assault and domestic violence.

The Central Investigation Bureau (CIB) arrested Raj Kumar Kharel, 35, of Nawalparasi; Purn Subba aka Purna Bahadur Limbu, 46, of Taplejung and Hari Prasad Tharu, 41, of Rupandehi for their alleged involvement in foreign employment fraud.

In his statement to the police, Tharu confessed to have trafficked six women in the last six months to various labour destinations using the Sri Lanka route.

The CIB busted the racket acting on a tip-off by a 25-year-old woman who returned from Oman where she faced domestic violence and physical assault from her employer.

Police said the woman came in contact of Kharel who helped her prepare her passport. "She was then taken to Butwal from where Tharu took her to New Delhi," said Superintendent of Police Mira Chaudhary. "From New Delhi the woman was flown to Sri Lanka. After she had stayed there for over 20 days, she was taken to Dubai."

However, the woman was sent back from Dubai to Sri Lanka by the immigration for failing to produce enough documents. Upon her return to Sri Lanka, the woman again came in contact of the fraudsters who then sent her to Oman.

She worked as a housemaid and was continually assaulted, said SP Chaudhary. She had shared her plight with her sister who lodged a complaint with the CIB.
