Assignment-2077

(Jestha 19, 2077, Monday)

Class: Nine

Subject – Mathematics

Source: Textbook of Mathematics 9.

Homework: Copy all the examples of 6.2 & do 1, 2, 3, 4, 5 & 6 from the page of 6.2 .

You are not allowed to use calculator.

Subject- Science

(Students may take help from e-book as well as class notes)

1. State Newton's third law of motion. Name the principle in which a rocket works.
2. Action and reaction are equal in magnitude and opposite in direction. Then, why do they not cancel each other?
3. What happens when an air filled balloon is left with its mouth downwards and allowed the air to escape?
4. Distinguish between uniform and non-uniform velocity.

Subject- English

1. Write a paragraph about your grandmother. If you have not met her, ask your parents what she was like, and write about her.
2. Prepare a biography of a popular social or political reformist of your locality or country.

The End.
