The Cap seller and the Monkeys

Read the story below.

It was a hot day. A cap seller was going to a fair to sell his caps. His way lay through a thick forest and he was so tired, so he decided to take some rest under a big shady tree. Soon he was fast asleep. There lived many monkeys on the tree. They saw him wearing a cap on his head. They came down, opened his bundle and took the caps and wore them on their heads.

Then they climbed up on the high branches of the tree. After some time, the cap seller woke up. He found his caps not there. The caps were missing. He felt very gloomy and looked around for them. All of a sudden, he looked up and saw the monkeys wearing the caps. An idea struck his mind. He at once took off his own cap and threw it on the ground. He knew that monkeys are good imitators.
