**Please follow the following instructions:**

1. Arrive at college on the first day of examination (i.e. on Mangsir 25, 2077, Thursday) by 6:00 AM compulsorily. The examination begins at 6:30 AM.
2. Wear mask compulsorily en route to college and while entering the college compound. Wear face-shield too.
3. Carry hand sanitizer with you so that you can use anytime you desire inside examination hall and outside.
4. Wash your hands with soap/hand wash liquid and water as soon as you enter the college premises. Soap and water have been managed by the college just beside the college gate.
5. Maintain physical distance of three metres inside the college premises while walking to and fro the examination hall. Don't stay very close to your friends and teachers. Don't touch each other.
6. Don't come too early to the college from the second day of the examination. Leave the college premises one after the other separately as soon as the examination ends.
7. As you enter the college premises, find seat plan pasted on the walls right and left side of the gate. Find your room and go there directly without getting engaged with friends in frivolous talks.
8. Carry admit card with you everyday compulsorily.
9. Carry examination materials such as scale, pencil as well as other mathematical instruments on your own. You are not allowed to exchange, lend or borrow them for health security reasons.
10. Write the examination being absolutely disciplined. If found doing any malpractice, you will be expelled from the examination.

*Good luck for your best performance.*
